FRENCH TRIBUTE TO

**SCORPIONS**

# LOVEDRIVE'S BIOGRAPHY

Lovedrive, so much more than a tribute band, it's an immersive experience in the world of Scorpions.

Formed in Haute-Marne / France in 2016, the band plays the most famous tunes from the world wide known band says Scorpions.

Each performance is thought to get the most of the Scorpions, from their beefy riffs to the unforgettable ballads.

The Lovedrive musicians, skilled ones on their way push the limits to get the closest to the original Scorpions. The stunning voice of Michael Donadel, so close to the Klaus's Meine captivates the audience night after night.

Focused on details plus their contagious passion to Scorpions music, Lovedrive won the first place in the "Tremplin Tribute Show" in 2017 in Orchies. This, confirming the high potential of Lovedrive for nearly ten years.

**Lovedrive, the sound of Scorpions, the soul of Rock and a singular stage energy. Let'em bring you to the Scorpions tribute !**

# MICHAEL

## CATCHA VOICE

Michael started singing as a self-taught at age of 19, his captivating voice quickly seduce the whole audience. Begun singing French covers on bars and small venues where he distinguished from other by his huge charisma.

In 2004 Michael started TV with Pascal Sevran TV Show till 2010 where he was one of a finalist of The Voice.

In 2016 a video posted on the web catch up Nono's (a.k.a. Bruno Vaudin) attention because of Michael's very close voice of Klaus Meine. That's how everything started.

# BRUNO

## THE ROCK'S BEAT

Being a 30 years drummer, Bruno is a famous figure of ours. He started playing drums on folk bands, then moved to Blues and also Rock.

He grows a style as the James Kottak's or the Mikkey Dee's one.

So, in 20016 he discovered Michael on social media and totally blown away by his voice. The magical happened when each others found the love for the Scorpions.

# MIKAËL

## THE RIFFS MAESTRO

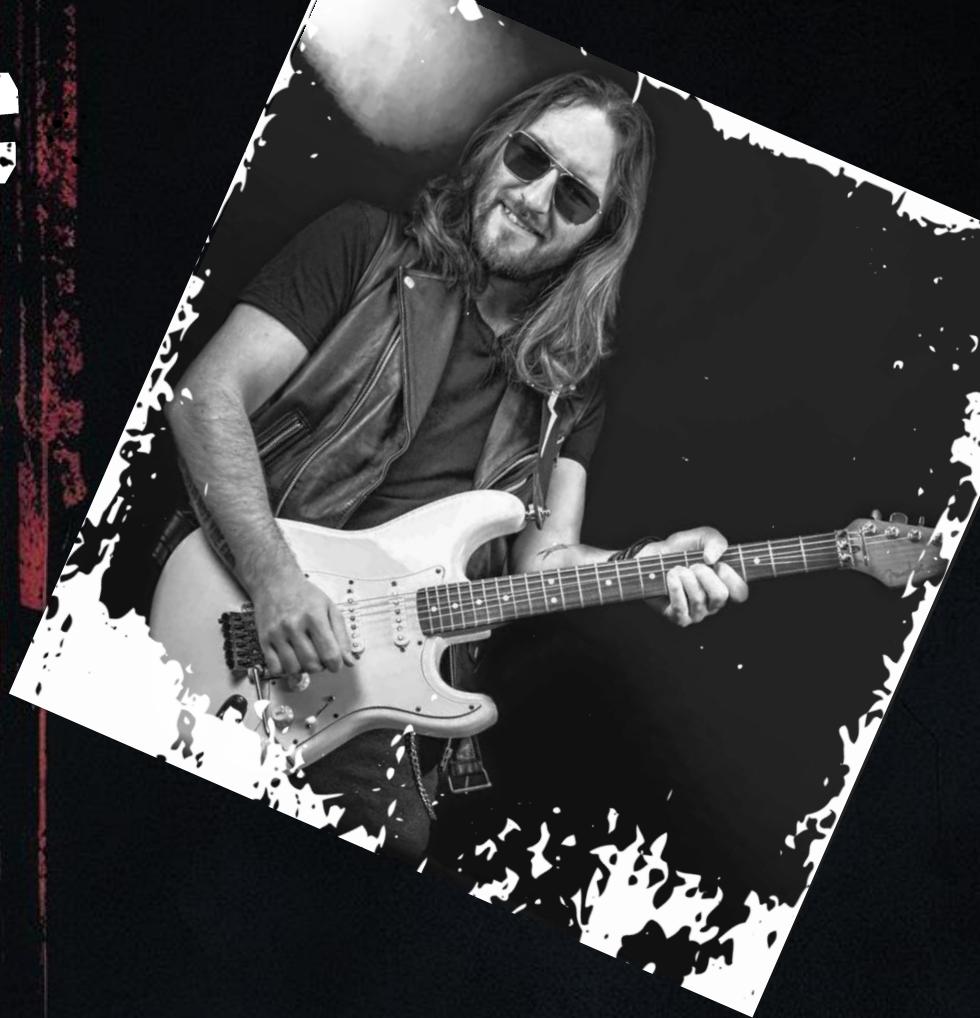

He was born in a musician family, started musical education at age of 8 to finally fall in love with electric guitar in high school.

In 2010 started as a professional, taught music while getting endorsed by Ibanez. He also recorded covers albums.

In 2021 he entered Lovedrive and uses all his skills to the project.

In 2022 he recorded his first solo album called "Walk of Shame" in which he infuse all his creative energy.

# Loïc

## THE YOUNG PRODIGE

Enflamed musician since he's 9, his passion for the guitar was given by his father who is also a guitarist. That way he started to enjoy being on stage.

Since his 13, he started to play on some AC/DC tribute, former member of Time Machine in which he was the main composer. He also appears and / or worked on different bands.

Mainly influenced by these famous AC/DC, Bon Jovi and Scorpions he didn't forgot being in touch with Danko Jones and Royal Republic. He developed an energy and an authentic style playing pop, rock and also metal music.

# CHRISTOPHE

## ACE OF BASS

Born on a Balkan family that fed an unusual anger for music. All those forces forced him to play, some instruments.

He started on guitar but very quickly was captivated by the low end. Around the millennial he started to play professionally in the whole area of Paris on cover bands and accordion band. This ended learning composing for Films and TV in the Parisian CIM and the Berklee School of music.

In 2010 he started to work for the French TV channels like ARTE and FR3, on some corporates and short movies. Recently he begun being involved in the study of the Balkan accordion.

Now for the love of everyone, he growls his bass on Lovedrive.
